AIMS AND SCOPE

Trends in Business and Economics (Trend Bus Econ) is an international, scientific, open access, online-only periodical published in accordance with independent, unbiased, and double-blinded peer-review principles. The journal is official publication of the Ataturk University Faculty of Economics and Administrative Sciences and published quarterly publication in January, April, July, and October. The publication languages of the journal are Turkish and English.

Trends in Business and Economics aims to contribute to the literature by publishing articles at the highest scientific level in economics. The journal publishes original articles, reviews and letters to editors prepared in accordance with ethical rules. The scope of the journal includes economics and business writings. Trends in Business and Economics deals with original articles that have theoretical foundations and are supported by empirical findings.

The target audience of the journal includes academicians, researchers, professionals, students, related professional and academic bodies and institutions.

The editorial and publication processes of the journal are shaped in accordance with the guidelines of Council of Science Editors (CSE), Committee on Publication Ethics (COPE), European Association of Science Editors (EASE), and National Information Standards Organization (NISO). The journal is in conformity with the Principles of Transparency and Best Practice in Scholarly Publishing (doaj.org/bestpractice).
